

### Eastern Kentucky's Latest Oil News

Charges that a Lee county oil well was fraudulently reported as a salt water well in order to defraud the owner of the land of valuable oil property were made in a damage suit for \$160,000 filed in federal court at Lexington. The suit was filed for Lillie C. Wells, administratrix of J. J. Wells, deceased; and I. S. Sparks, guardian for four of Wells' children. W. E. Fitzgerald, of Columbus, O., and R. W. Richards of Washington, with others, are defendants. The plaintiffs charge that the defendants conspired to report a salt water well and that as a result of this alleged conspiracy they received \$60,000 in cash and \$100,000 worth of oil property. The land is on the headwaters of Billy Fork of Millers creek. Runs of crude oil from the Eastern and Southern Kentucky fields, as reported by the Cumberland Petroleum Company for the week ending July 8, totaled 82,096.76 barrels, as compared with 80,275.38 barrels for the previous week, an increased production of nearly 2,000 barrels. "Yes," said the dentist, "to insure painless extraction, you'll have to take gas, and that's fifty cents extra."

"Oh!" said Casey, "I guess the old way'll be best; never mind the gas."

"You're a brave man," said the dentist.

"Oh!" said Casey, "it ain't me that's got the tooth; it's my wife."—New York Central Lines Magazine.

### CARDUI HELPED REGAIN STRENGTH

**Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.**

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak. I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 88

## Unexpected!

a New "USCO"—  
Better, Heavier, Longer Wearing  
30x3 1/2—\$10.90 No Tax added  
on Sale Now

USCO set the high value mark for 30 x 3 1/2 tires when it originated the \$10.90 price last fall.

USCO today betters that mark with a new and greater USCO—an USCO improved in many important ways.

For instance, a thicker tread—with a surer hold on the road—thicker side walls, adding strength and life to the tire.

And the price is \$10.90—with the tax absorbed by the manufacturer.

Men have always looked to USCO for the biggest tire money's worth on the market.

They always get a bigger tire money's worth than they expect.
